Current Subscription Rates

At the AGM in October 2009, it was agreed that there would be a single subscription rate for each family household. This was fixed at £12.00 per annum and includes spouse and family. The Council were conscious that subscriptions had not been raised for several years and decided that this would be a simpler and fairer system. They would encourage you to take out a standing order.

CURRENT ANNUAL SUBSCRIPTION - £12.00 per HOUSEHOLD

Note: Applications after October each year will include membership for the next year.
